Subject: Fund Utilisation from January 2022 to May 2023.

Dear Sandipa,

Thank you for the generous donation for the entire year of 2022 and continuing to fund us even now for our street dog program.

We are pleased to inform you that the funds have been extremely useful for our programs and have been utilized for the Animal Birth Control Program for street dogs undertaken in the state of Uttarakhand. We have used the funds towards the purchase of medical supplies which has helped spay, neuter and vaccinate 1322 street dogs.

This would not have been possible without your continued trust and support. Thank you for encouraging us.

Yours Sincerely,

Alokparna Sengupta
